

2" SonoFlat™ Panels

Flat-faced, Beveled Acoustical Panels

Benefits:

- Made from Auralex's proprietary Studiofoam®
- Smooth face for enhanced aesthetic appearance
- Effectively reduce standing waves and flutter echoes
- Beveled edge reduces the need to perfectly align seams
- 2'x2' panels creates greater flexibility in design and placement
- Class B flame retardancy

Applications:

- Use to treat areas where a non-flat surfaced foam will detract from the overall appearance of the room
- Great for just about any mid to high frequency application

Size:

- 2' wide x 2' long x 2" thick

Box Information:

- (16) panels per box (covers 64 sq. ft.)
- Box size of 48.5" x 24.5" x 16"
